SEOUL - July 31, 2024 - NEOWIZ and Wonder Potion are thrilled to announce that its popular dystopian action-platformer, *SANABI*, won the 'Best Action Adventure Game' award at the 2024 Indie Game Development Awards.

Hosted by ChinaJoy and Game Connect, the 2024 Indie Game Development Awards recognizes top talent and games from the indie scene. *SANABI* was recognized for its originality and gameplay. The mysterious story follows a father's journey for his daughter's revenge, complete with a tear-jerking ending and stunning chain-hook arm action.

“We were able to win this award thanks to the interest and love from our community,” said Yoo Seung-Hyun, CEO, Wonder Potion. “*SANABI* is a proof point of our dedication to providing players with high-quality experiences, and we’re grateful for NEOWIZ’s support in bringing it to a broader audience.”

Meanwhile, NEOWIZ remains committed to its global market expansion for its narrative-driven indie games. As part of this initiative, *Goodbye Seoul* will participate in

gamescom 2024 this August. The game will be exhibited at the Indie Arena Booth, a curated global hub for independent game developers to showcase their latest titles.
