Players can unlock new costumes, a limited-edition cat, and more!

SEOUL – August 30, 2024 – The relaxing idle mobile game *Cats & Soup* is rolling out a massive update to celebrate its third anniversary. Starting today until Monday, Sept. 30, players can join their favorite soup-cooking feline friends for a rewarding month-long anniversary party.

Players who log in by Sept. 30 will receive a brand-new costume set to kick off the festivities. The Baby Kitty and Cat costumes allow players to dress their collected cats in matching outfits with a special charm. In addition, the anniversary login event offers fantastic rewards, such as Star Macarons, Gems, Furniture Coins, Pudding, Fruit Tarts, and regular and special Observatory Tickets.

The update also introduces the limited-edition 'Twilight Angora' to Cat Forest. Chosen from a fan-submitted character contest, 'Twilight Angora' is the latest cute addition to help cook warm and tasty soup. New background music and anniversary-themed content will be added throughout the event.
