

NEOWIZ's *BrownDust2* Unveils Thrilling New “Contract Wars” Character Pack and “Carta World Z” Zombie Event

Character Pack 7 unlocks exclusive skins for Michaela, Luvencia, Seir and Nebris

SEOUL – October 31, 2024 – NEOWIZ and GAMFS N Co., Ltd. are raising the stakes in their mobile RPG *BrownDust2* with the release of the highly anticipated "Contract Wars" character pack. The latest update transports players to the high-pressure world of corporate sales warfare as four standout characters go head-to-head to claim the title of ultimate sales champion in Character Pack 7.

The story begins in a typical office environment and soon escalates into intense tactical battles, blending the mundane with explosive, action-packed gameplay. This fierce competition for sales supremacy brings a fresh narrative twist. Players can unlock exclusive new character skins, including New Hire Seir, Deal Snatcher Luvencia, Queen of Signatures Michaela, and New Hire Nebris.

Accompanying the Character Pack is a zombie-themed event that runs until Thursday, Nov. 14. "Carta War Z" follows Michaela, Luvencia, Seir, and Nebris as they navigate a city overtaken by the undead and hunt down the origins of the outbreak. Players will face the formidable Abomination Fiend Hunter boss across 30 thrilling battles split between Normal and Challenge modes. The event welcomes a new Field Quest mini-game that also tasks players with collecting treatment vials while dodging hordes of zombies.
