

NEOWIZ Releases Major 1.5-Year Anniversary Update for *BrownDust2*, Featuring Winter Event Pack "Memory's Edge"

Discover the secrets of Pandora City with new seasonal events and mini-games

SEOUL – December 17, 2024 – The holiday season continues to bear gifts for *BrownDust2* fans! NEOWIZ and GAMFS N Co., LTD have launched a substantial new update featuring the new winter pack, "Memory's Edge."

Celebrating the game's 1.5-year milestone, "Memory's Edge" transports players to Pandora City, a cyberpunk metropolis brimming with advanced body augmentations. The event follows characters Loen and amnesiac Morpeah, as they encounter challenges from the giant robot Cleaner in restricted zones. Available until Thursday, Jan. 16, the event highlights the city's neon-lit streets and shadowy back alleys.

Players will get the chance to enjoy the new Daydream Bunny Morpeah costume with full character upgrade support to +5. To celebrate the spirit of giving this season, players will receive 500 draw tickets for free! This is the highest-ever draw ticket reward given out to players as a thank you to BrownDust2 fans around the world! The update also offers a wealth of rewards, including Dia and growth resources through various in-game events.

The updated "Goodbye Freedom" seasonal event features Levia and Luvencia, renowned fixers in Pandora City, who become entangled in a new plot by Burk. Players can engage in 30 battles across normal and challenge modes, with the return of foes like Talos and CYBORG. The mini-game "Pandora Escape," a survival action rogue-like, is also introduced as a field quest.

Additionally, new costumes and exclusive gear for Celebrity Bunny Loen, Overheat Levia, Wild Dog Luvencia, and Daydream Bunny Morpeah will be released in stages starting today, Dec. 17.
