**SEOUL – December 3, 2024** – *Merge Survival: Wasteland* is celebrating its one-and-a-half launch anniversary at the end of the year with new in-game content as a thank you to fans. Published by NEOWIZ and developed by Stickyhand Inc., the mobile title will be gifting digital goods, in-game coupons, and various events throughout December.

Starting now, anyone can access new wallpapers and SNS profile images to personalize the background of their PC, mobile, or smartwatch. Most of the backgrounds heavily feature everyone's favorite Wasteland dog, Seed! In addition, players can access coupon codes to get great details on energy, coins, gems, inventory, Seed's antique hourglass, and the '1.5th Anniversary Balloon' to decorate their camps.

The enabled player communication feature is one of the big quality-of-life features added in the 1.5 anniversary update. Players can now actively communicate while playing to increase game participation. Merge Survival also welcomes a new 'Badland Treasure Race' event, where it's a race in real time over a total of 3 rounds. Users who reach the treasure first will obtain a special reward!

Other events include 'Puzzle Diary,' where players complete a board by picking out puzzle pieces to complete a character's picture diary, and 'Seed's Operation Christmas,' a lucky point drawing event. Three types of holiday items can be obtained by participating in a draw using the luck points obtained through Merge Play. The new offerings hope to immerse users in the Christmas spirit by creating a warm and colorful holiday atmosphere.

More details about this update and coupon codes can be found on the official Merge Survival community channels: [Discord](#), [Facebook](#), [YouTube](#), and [Instagram](#). During the month of December, players can also register and use coupons on the official coupon page.
