

## NEOWIZ Launches "Onsen Training" Update for *BROWNDUST2*

*The latest update features a new story set in a Japanese hot spring and introduces hot spring-themed costumes and exclusive gear for Ventana and Liberta*

**SEOUL, South Korea – January 16, 2025** – Mobile RPG *BrownDust2*, published by NEOWIZ and developed by GAMFS N Co., Ltd., unveiled the "Onsen Training" update, marking the first content update since the successful 1.5-year anniversary celebration in December.

"Onsen Training" takes players to a Japanese winter hot spring, where the story kicks off with protagonist Ventana being rescued by the legendary swordfighter Blade from the Kendo Club. Liberta also joins the adventure. Players can enjoy character quirks and humorous moments as they tackle challenges like monkey ambushes.

The update features the return of foes like Giant Rou and the introduction of the colossal hot spring monkey, Snowy Mountain Tyrant. Players can enjoy 30 battles, split between 15 normal and 15 challenge modes. A new mini-game, "Onsen Tile Tactics," is another addition to the story pack and involves quickly clearing puzzle tiles.

Exclusive gear and new costumes are also available for Ventana and Liberta. The Onsen Practitioner Ventana costume and gear are available from today until Thursday, Jan. 30. The Onsen Manager Liberta costume and gear will be released afterward and available until Thursday, Feb. 13.

*BrownDust2* is available to download on [Google Play](#) and the [Apple App Store](#). For more details on the *BrownDust2* "Onsen Training" update, visit the official website: <https://www.browndust2.com/en-us/>.
