

## Uncover the Hidden Stories Behind the Great Puppet Frenzy in *Lies of P: Overture*

*The first action-packed trailer for the DLC premiered during the latest State of Play*

**SOUTH KOREA – February 12, 2025** – Cross the bounds of time to discover what *lies* await Geppetto’s Puppet in the dramatic prequel, *Lies of P: Overture*. The new DLC expansion debuted during February’s State of Play, where NEOWIZ and ROUND8 Studio shared a first peek with a new gameplay trailer.

Releasing in Summer 2025, *Lies of P: Overture* takes players back to the beginning of the Puppet Frenzy and shares what led to the fateful events in *Lies of P*. The new gameplay trailer features never-before-seen environments, high-stakes battles with new bosses and briefly teases a mysterious guide as players unravel chilling secrets.

“We knew that the end of *Lies of P* was just the beginning for what our team had in store for fans,” said Jiwon Choi, game director, ROUND8 Studio. “*Lies of P: Overture* allows us the opportunity to fully explore the past and present of our universe. We are grateful for our community’s patience as our team took the time to tell the story we’ve always wanted to share.”

The next chapter in the *Lies of P* franchise is now available to wishlist on **Xbox** and **Steam**. Sign up for the [Lies of P newsletter](#) for the latest updates on the title.
