

# Lies of P: Overture

Cross the Bounds of Time.

## Introduction:

*Lies of P: Overture* is the dramatic prequel to the acclaimed soulslike action RPG, *Lies of P*. It transports you to the city of Krat in its final days of haunting late-19th-century Belle Époque beauty. On the brink of the Puppet Frenzy massacre, you follow a Legendary Stalker—a mysterious guide—through untold stories and chilling secrets. As Geppetto’s deadly puppet, you’ll journey through Krat and its surroundings, uncover hidden backstories, and face epic battles that shape the past and future of *Lies of P*.

## Setting & Story:

As Geppetto’s Puppet, you encounter a mysterious artifact that transports you back to Krat in its final days of grandeur. In the shadow of an impending tragedy, your mission is to explore the past and uncover its dark secrets—haunted by surprises, loss, and vengeance. The choices you make ripple through the past and present in the world of *Lies of P*, revealing hidden truths and leaving lasting consequences.

Embark on an unforgettable adventure where the symphony of steel clashes with the haunting melody of the unknown. Dare to unravel the mysteries of the past, for in the

heart of darkness lies the key to unlocking the secrets of a timeless tale reborn.
