

NEOWIZ Introduces “Triple Alliance” Story Pack and More Updates for *BrownDust2*

Story Pack 16 puts players on a mission to counter the growing power of Cocytusa and unveils new content featuring “Code Name O Elise” and “Glupy Diner”

SOUTH KOREA – March 27, 2025 – Mobile RPG *BrownDust2*, published by NEOWIZ and developed by GAMFS N Co., Ltd., announced Story Pack 16, titled “Triple Alliance,” which takes place not longer after Story Pack 14, “Trial by Ordeal.”

Follow Wilhelmina, Gray and Glacia through the bustling port town of Tearsalt as they seek to unite against the escalating threat of the Cocytus. Players will embark on a thrilling journey to rescue soldiers and civilians trapped in an illegal market.

This update introduces "Code Name O Elise" in the new fated guest story "Glupy Diner." Players can also explore new character costumes and exclusive gear. The game now also features a story and event replay function to further enhance user convenience.

Additionally, fan-favorite mini-games Onsen Tile Tactics and Pandora Escape are now permanently available, allowing players to enjoy them anytime.

BrownDust2 is available to download on [Google Play](#) and the [Apple App Store](#). For more details on the "Triple Alliance" update, visit the official website: <https://www.browndust2.com/en-us/>.
