

BrownDust2 Unveils Beauty on Duty Summer Event and Anime NYC Details!

Swimsuit-themed characters return for a revamped Bikini Contest with new Sylvia and Rubia costumes and exclusive gear

BrownDust2 makes another US appearance with NEOWIZ as an official sponsor at Anime NYC!

SOUTH KOREA – August 14, 2025 – Popular mobile RPG *BrownDust2* launches a new summer season event, *Beauty on Duty*. In line with *BrownDust2*'s One More Summer Festival, *Beauty on Duty* brings players back to the lively festival setting from last year's Beachside Angels event pack.

Resuming the storyline, the Bikini Contest returns after being suspended by the Modesty Corps. Join swimsuit-costumed characters, including Schera, Teresse and Rubia, as they lead the cast in the mafia activity investigation. Exclusive to the event, special summer costumes will be available for Bikini Agent Sylvia and Maid Bikini

Rubia, each with character-specific gear. This summer, players can also win the esteemed Flame of Hela jewel as the grand prize.

Additionally, this update is introducing a new rhythm mini-game. Players can earn points by tapping notes in time with the music, aiming to rescue characters trapped behind walls. The more accurately players time their taps, the more points they will score during the event.

Alongside the new summer season event is *BrownDust2*'s second major US presence at **Anime NYC**! With NEOWIZ as an official sponsor for the upcoming expo, fans of the mobile RPG title can grab special edition branded lanyards and get another chance to immerse themselves in the *BrownDust2* world.

The booth will feature various fun activities and experiences, including pop quiz events with prizes. Join special guest cosplayers Beat Berry, JooA and Aru.rinh, for photo opportunities throughout the event. Attendees can find *BrownDust2* at **Booth #2015** in the **Javits Center** during Anime NYC, and the hanging *BrownDust2* banner will be in the Expo Hall!
