

***Shape of Dreams* Celebrates Launch Success with 100K Copies Sold**

The debut title from Lizard Smoothie incorporates community feedback with Day 1 patches addressing changes to progression, difficulty, rewards and more

South Korea – September 12, 2025 – After just 24 hours on Steam, 1-4 player co-op action roguelite [Shape of Dreams](#) has already seen incredible success, selling over 100K copies and reaching 30K concurrent players. NEOWIZ and Lizard Smoothie are incredibly humbled by the reception to the game and extend their heartfelt gratitude to the players who have already delved into The Rapids.

In addition to celebrating this achievement, the team at Lizard Smoothie has been hard at work to deliver hotfixes that address community feedback. A patch issued this morning creates a much friendlier progression system, adjusts enemy HP and damage values in Easy and Normal difficulties and increases Stardust reward drops. “Seeing and acting on the community feedback for *Shape of Dreams* is a duty we don’t take lightly,” said Eunsop Shim, co-founder and CEO, Lizard Smoothie. “Many fans have been with us since the release of our demo, and we want to continue to deliver an experience worthy of their passion and support. Our team also has plans for more updates, improvements and new content in *Shape of Dreams*. Please look forward to announcements from us in the future!”

NEOWIZ and Lizard Smoothie will continue to monitor player feedback closely and issue updates and improvements to the game going forward. The team encourages the community to share their experiences with *Shape of Dreams*.

Shape of Dreams is [available now on Steam](#) for \$24.99 USD, with a 20% discount available until Wednesday, Sept. 24. The roguelite title is also available in two Steam bundles through collaborations with *Deep Rock Galactic: Survivor* and *Warm Snow: Rock and Dream* and *Dream of Snow*. These bundles will grant players an additional 10% off from the launch discount.
