

***Shape of Dreams* Releases Character Skins, Discount for Spring Sale Alongside NEOWIZ Titles**

Shape of Dreams available for 30% off, other discounts running for Steam Spring Sale including *SANABI*, *Skul: The Hero Slayer*

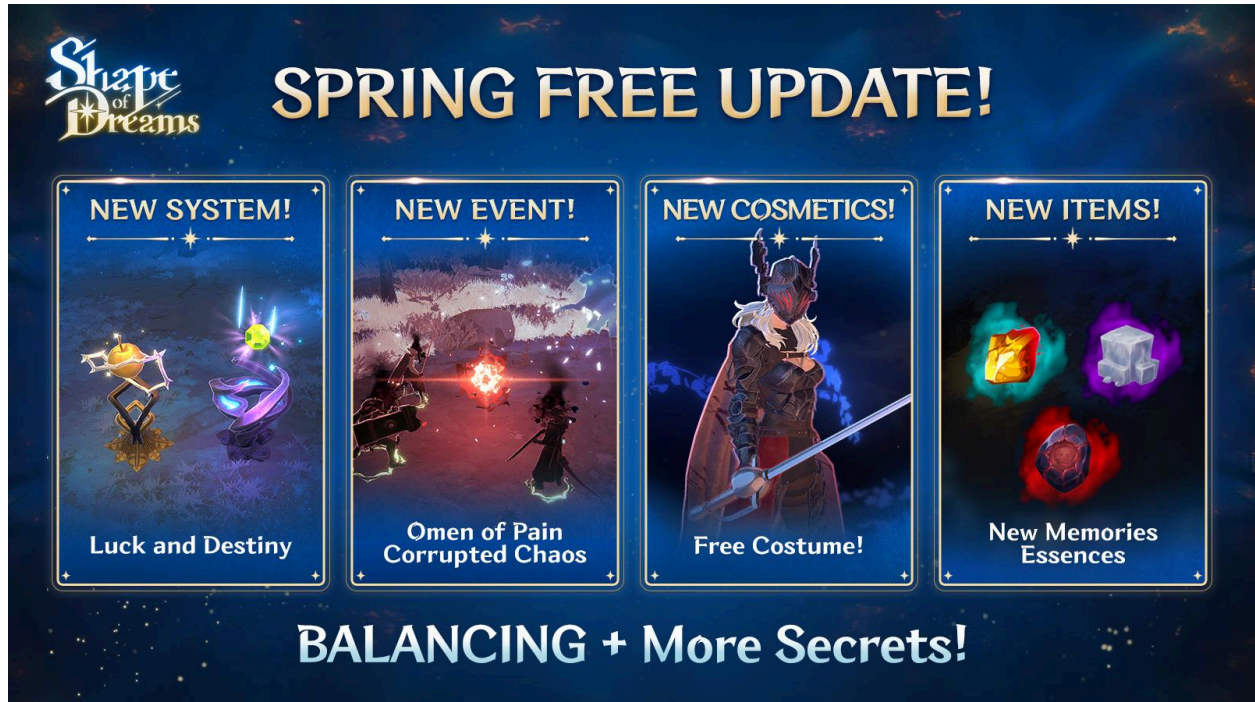

SOUTH KOREA – March 17, 2026 – Today, NEOWIZ and Lizard Smoothie announced a highly anticipated update to the co-op action roguelite title *Shape of Dreams*, as well as the publisher’s participation in the Steam Spring Sale featuring deep discounts on select acclaimed titles.

Travelers will have a lot to look forward to in their future runs as Version 1.2 is officially live! After a successful launch that saw over 1 million units sold in its first three months of release, *Shape of Dreams* Version 1.2 introduces skins for your favorite Travelers, with some free skins available now!

As part of this update, a new in-game event will be available as well. Players can participate in the “Omen of Pain, Corrupted Chaos” event to test their skills in more punishing battles within a corrupted mist to acquire new special stats and skills. Stay tuned on [Discord](#) and [Steam](#) for more updates on when these will be available! Version 1.2 will also feature new shrines, cosmetics, constellations and more in this massive update to the game.

If you haven't made your way into the Rapids yet, *Shape of Dreams* will have a special discount of 30% off as part of the Steam Spring Sale starting on Friday, March 20. Other NEOWIZ titles participating in this sales event include the exhilarating action platformer *SANABI* at 35% off and the 2D roguelike *Skul: The Hero Slayer* at a 50% discount. Lastly, *DJMAX RESPECT V* fans will have the opportunity to expand their library, as DLC song packs will be offered at discounts of up to 80%.

The Steam Spring Sale will end on Friday, March 27. For more details, [visit the official NEOWIZ Steam page](#).
