

## ***Lies of P: Complete Edition* Announced for Nintendo Switch 2**

*The critically acclaimed action RPG re-telling of the story of Pinocchio comes to Switch 2 in a new complete collection, including Lies of P and Lies of P: Overture*

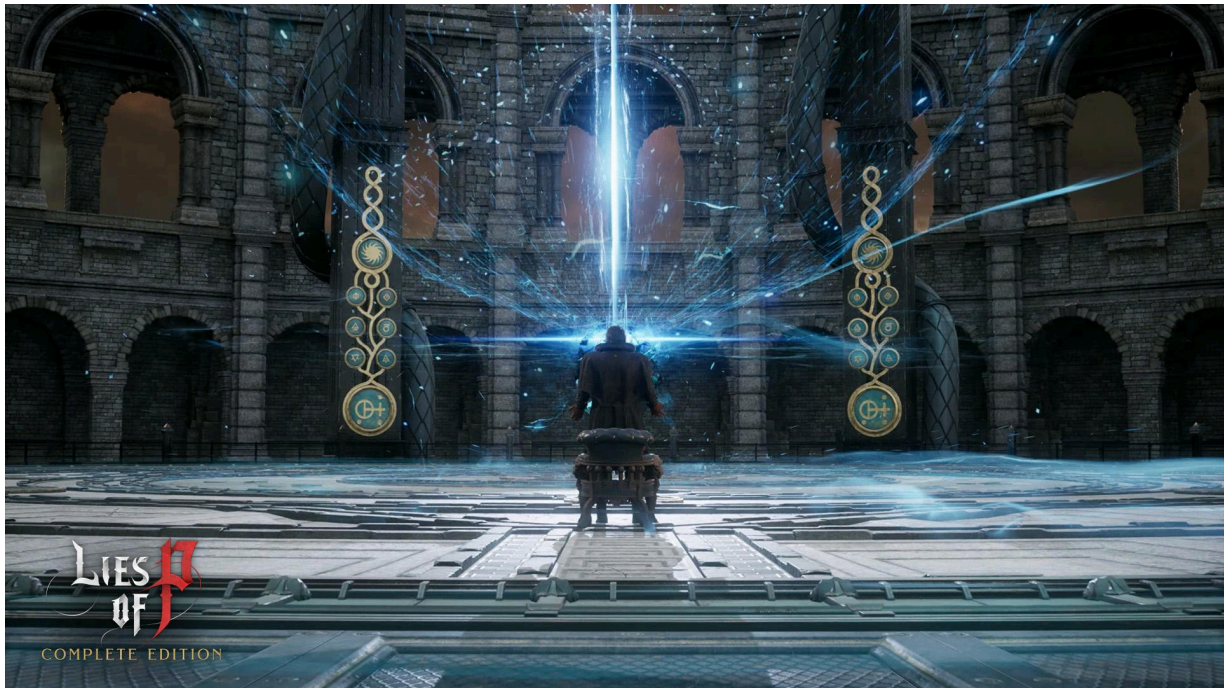

**SOUTH KOREA – June 9, 2026** – Today, NEOWIZ, in partnership with Nintendo, announced that ROUND8 Studios' *Lies of P: Complete Edition* will be launching on Nintendo Switch 2 later this year on Thursday, August 6.

This new version of the game arrives on a Nintendo platform for the first time and will feature all previously released content, including the full *Lies of P* base game as well as the *Overture* DLC expansion that was praised by both critics and fans alike.

“Finally, we are able to share *Lies of P* will be coming to Nintendo platforms for the first time with *Lies of P: Complete Edition* coming to Nintendo Switch 2 later this year,” said a Jiwon Choi, Director of *Lies of P*. “We’ve wanted to share our beautiful, dark take on Pinocchio’s story with Nintendo players for a long time and are excited to have them join

the passionate and enthusiastic player community that have flocked to the game since its original release in 2023.”

With over 4 million cumulative units sold globally, *Lies of P* and *Lies of P: Overture* have been well received and created a passionate player community that has resonated with the adventures of Gepetto's Puppet and the characters who reside in the city of Krat. Developed by ROUND8 Studio and published by NEOWIZ, the game and its accompanying DLC have come to be known as best-in-class and award-winning experiences in the soulslike subgenre, and have grown NEOWIZ's position in the global games market.

*Lies of P: Complete Edition* will be available for \$69.99 on Nintendo Switch 2. Players can pre-order the game now on the Nintendo eShop ([North America](#), [Europe](#)) digitally. In addition to the digital version, iam8bit is releasing a physical version that includes the full base game and DLC on the cartridge.

NEOWIZ has also partnered with iam8bit on a collection of special *Lies of P* releases available now for pre-order. Leading the lineup is the *Lies of P: Complete Edition* iam8bit Edition for Nintendo Switch 2, featuring the full *Lies of P: Overture DLC* and six Boss Lore Cards highlighting the strange foes P encounters on his journey, available at retailers worldwide. Fans can also pre-order the iam8bit Exclusive Edition, which includes all Retail Edition contents plus a stunning o-sleeve showcasing artwork from the NEOWIZ team.

Also available for pre-order is Round8 Studio's evocative music from *Lies of P* and *Lies of P: Overture* with the ***Lies of P* 3-disc CD set** and the ***Lies of P: Overture* 2-disc CD set**, both packaged in premium digipaks featuring original artwork by Dan Zollinger.

Additional collectibles available for pre-order now through July 13 include the **Butterfly Brooch** (\$14.99), **Amulet Keychain Blind Bag**, **Boss Rush Pin Set**, and a handcrafted **Marionette Puppet**, each inspired by the world of *Lies of P*.

For hardcore *Lies of P* fanatics and collectors looking to own it all, iam8bit is offering three tiered bundles: the **Amulet Keychain Blind Bag Bundle**, which includes all five amulet keychains; the ***Lies of P: Complete Edition Bundle***, which includes the Nintendo Switch 2 Exclusive Edition along with all five keychains, the Boss Rush Pin Set, and the glow-in-the-dark Butterfly Brooch; and the ***Lies of P: Complete Edition Marionette Bundle***, which includes everything in the Complete Edition Bundle plus a specially handcrafted, wood-carved Marionette Puppet made by the Czech artisans at Rici Marionettes.
