

***Lies of P: Complete Edition* Brings a Symphony of Choice and Consequence to the Nintendo Switch 2**

The definitive edition is available now on Nintendo Switch 2, combining the award-winning base game and DLC expansion

SOUTH KOREA – August 5, 2026 – Unearth the saga that led to the fall of Krat, as *Lies of P: Complete Edition* officially arrives on the Nintendo Switch 2. Available digitally for \$69.99 on the Nintendo eShop ([North America](#), [Europe](#)), NEOWIZ welcomes new and old players alike to experience the twisted take on this timeless tale reborn.

“The Nintendo Switch 2 version is another historic debut for us, and we worked diligently to ensure the *Complete Edition* was the same player-first experience for Nintendo fans after they’ve waited so long,” said Jiwon Choi, Director of *Lies of P*. “*Lies of P* is a testament to the hardwork and dedication put in by our development team, and we are grateful to our community for their support as we continue to shape the future of the franchise.”

The critically acclaimed and fan-beloved title is performance optimized for the Nintendo Switch 2 and includes all post-launch quality-of-life updates, new difficulty and challenge modes and the seamless integration of the *Overture* expansion.

In addition to the Nintendo eShop launch, NEOWIZ partnered with iam8bit on a collection of physical releases for *Lies of P: Complete Edition*. All physical editions include a cartridge with the full game and are available for pre-order now at liesofp.iam8bit.com. The iam8bit physical editions begin shipping on Friday, Oct. 2, with a retail version of *Lies of P: Complete Edition* available at major retailers on the same day.
